

SEARCH AND RESCUE CONTACT NUMBERS						
<b>The RCCs are the most direct way of talking to someone who can organize a rescue.</b>						
<b>It is preferable to contact the RCC responsible for the location where the emergency is taking place.</b> However, RCCs can handover to each other as necessary						
<b>Acronym</b>	<b>Comment</b>					
MCC	Mission Control Centres distribute Cospas-Sarsat alert data to its national RCCs and to designated SAR Points of Contact (SPOCs), or to other country's MCCs					
SPOC	SAR Points of Contact					
SRR	Search and Rescue Region; Area which an RCC has responsibility for					
RCC	Rescue Coordination Center; Coordinates actual rescue operation. <u>Can alert other RCCs or MCCs globally.</u>
